ST. MARY'S HISTORY AND MISSION

St. Mary's was founded in 1702 as the first American parish of the Church of England's missionary Society for the Propagation of the Gospel. The Old Church, standing at the corner of Broad and Wood Streets, was built in 1703 and continued in use as the parish church until 1854. The building is now used for occasional worship services and meetings and for Sunday services during the summer months.

Construction of the New Church was begun in 1846 and completed in 1854. Richard Upjohn, a pioneer in the revival of Gothic architecture in the United States, designed the new St. Mary's as a cathedral church for the second Bishop of New Jersey, George Washington Doane. The church was severely damaged by fire in 1976, but has been restored in keeping with its original design. New St. Mary's was designated in 1979 as

A NATIONAL HISTORIC LANDMARK

St. Mary's seeks to express, in worship and parochial life, the Catholic faith as it has been received by the Episcopal Church. In the 323rd year since our founding, we pray that we may continue to be an extraordinary community of faith, in which

*Excellent worship is offered to God;
The Gospel of Jesus Christ is proclaimed;
The Faith of the Apostles is taught;
The people are nurtured in
Christian living; and
Care is offered to the suffering and the poor.*
